

HOLLYMATIC HIGH VOLUME VACUUM TUMBLERS

FASTER, INNOVATIVE DESIGN GIVES YOU EVEN MORE VALUE!

Hollymatic HVTS 300 or 500

With our line of Vacuum Tumblers you get more machine for your money and will be able to produce profitable value-added products that your customers will love.

Our tumblers incorporate innovative design, faster production capabilities, and real price/value.

- Available with 300 and 500 pound capacities, these state-of-the-art tumblers draw a vacuum in seconds with bigger and faster vacuum pumps.
- Exclusive touch pad microprocessor controls

store up to 10 programs. You can adjust 3 program segments up to 24 hours and infinitely change speed from 2–15 rotations per minute.

- A more powerful drive system and stainless steel frame, tank, and cabinet add to the machines' efficiency and durability.

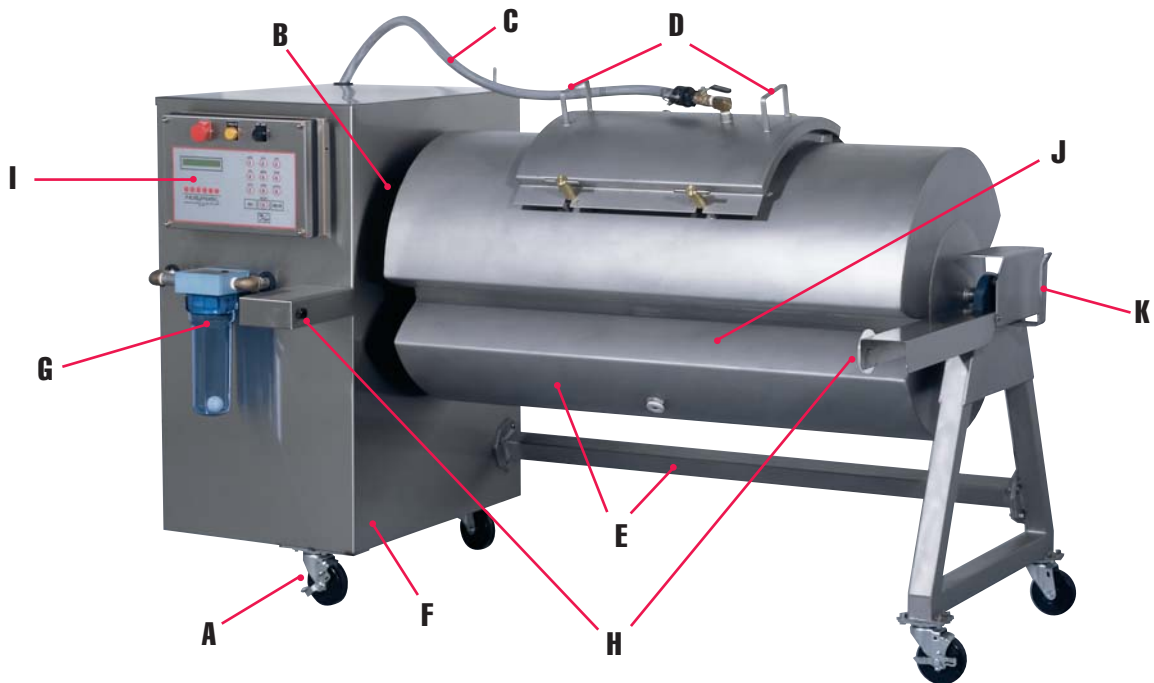

Hollymatic's rugged high volume vacuum tumblers create profitable products...easier and faster. Contact Hollymatic or your local Hollymatic dealer today.
